

Spread the Word with these Calling Cards

Use these “calling cards” to ask friends and family to support you in your efforts to raise money for families battling childhood cancer. Follow the below instructions to customize the URL of your fundraising page.

JUST TRYAN IT uses Classy to support our fundraising efforts. (www.classy.org)

Once you are logged into Classy, you have the ability to edit your fundraising page and add photos to your page. Take advantage of the Custom Page URL under Edit on my Page Tab:

Once in the editor, you can select a Custom Page URL:

A screenshot of the 'Edit Your Page' form in the Classy editor. The form includes several fields: 'Fundraiser Name' (Emily Norry), 'Enter your Page Title' (Help me raise money for 2016 JUST TRYAN IT Kids Triathlon, Chapel Hill, NC), 'Fundraising Goal' (\$ 2000), 'End Date' (05/01/2016), and 'Custom Page URL' (/ EmilyNorry). A yellow arrow points to the 'Custom Page URL' field, which has a green checkmark next to it. Below the form, the resulting URL is displayed: <http://donate.justtryanit.com/EmilyNorry>.

Use this new web address on the following cards to share with friends and family.

Please help me in supporting families battling childhood cancers.
