Personalize your story

This is the default story behind our campaign, but you can make it your own. Add photos, video, and text to tell people why you are fundraising!

Let's do this!

My part: I am going to swim, bike, and run to help kids with cancer.

Your part: Please support me. Come to the race, sponsor me in the race, send me your good vibes!

JUST TRYAN IT's part: JUST TRYAN IT directly supports pediatric cancer families with their mortgage, rent, car payment, groceries, or more. They help a family focus on their child's health and relieve some of the financial struggle that accompanies any cancer diagnosis. JUST **TRYAN** IT has given over \$1,529,400 to families.

You and I can both make a difference in someone's life today. Please make a donation to support me in my triathlon and to help kids with cancer.

Thanks so much for your generosity and support!
