## Race Safety

- I. The safety of our athletes, volunteers, and spectators is our primary concern.**  
In the event of inclement weather, the race will continue under the following circumstances:

# JUST TRYAN IT

Supporting Families Fighting Childhood Cancer

- **Lightning:** The event will be postponed by 30 minutes. All racers and spectators will move to the Rosemary Room in the basement of the Club for shelter. If the lightning continues, the race will be canceled.
  - **Rain:** The event will NOT be canceled due to rain alone. If it is determined that the bike portion of the race would be unsafe due to wet roads, then the race will be changed to a swim-run duathlon. Athletes will be informed of such a change via announcements on race day.
  - **Tornado warning:** The race will be canceled in the event of a tornado warning.
- II.** Racers must have a **properly fitted bike helmet** with a securing strap that is worn at all times when riding the bike.
- III. Getting around** - We kindly request that spectators remain off the course at all times and only cross as guided by our invaluable volunteers. Thank you for your cooperation. If you choose to view the swim from the playground, please be aware that you may be stuck there for a while, as crossing back to Party Zone will be limited.
- IV. COVID-19 PROTOCOLS**
- Our race is 100% outside
  - RACERS START IN WAVES AND ARE NATURALLY SOCIALLY DISTANCED.
